

# ACKNOWLEDGEMENT

I would like to extend my deepest gratitude to several individuals and institutions who have played pivotal roles in the successful completion of my project at Techvision Technologies first and foremost, I am profoundly thankful to **Mr. Akshay Jain**, whose unwavering support, expert guidance, and mentorship have been the driving forces behind this project's accomplishments.

I am also indebted to **Dr. Prabhakar Gupta**, the Principal of our college, for fostering an academic environment that encourages innovation and research. His support and willingness to allocate necessary resources have been fundamental to the project's realization. Furthermore, I appreciate the contributions of **Dr. Shahjahan Ali**, the Head of the Computer Science and Engineering Department, whose guidance and insights have been invaluable throughout this journey.

I extend my heartfelt thanks to the entire team at Techvision Technologies for their cooperation and willingness to share their knowledge. Their collective expertise and the collaborative spirit within the organization significantly enriched my learning experience.

Last but certainly not least, I want to express my gratitude to my family and friends for their unwavering support, encouragement, and understanding during the demanding phases of this project.
